

## **Breakout Group 1 — Next steps toward the NDAA 1075 Study Instruction (b)(1): Assessing DoD-Relevant Vulnerabilities in Global Food Systems**

**Location:** 6<sup>th</sup> Floor Board Room

**Leads:** Molly Jahn, Andrew Hill

**Staff:** Liam Hutchison

**BRIEF:** What would a comprehensive assessment of global food system vulnerabilities relevant to US DoD look like? How could such a study be completed, and what analytical tools are available? How could key bottlenecks and risk areas be highlighted to inform DoD ability to respond to and mitigate regional or global shocks?"
